Join us in Open Minds class, where students embark on an exciting journey through a new theme each week! From creating their own books and diving into STEM challenges to exploring the wonders of dinosaurs and world explorers, every session is a fresh adventure.

Through project-based learning, students will immerse themselves in activities such as fiber art, painting, games, and more. This class is designed to spark curiosity, creativity, and a love for learning in every child.

SKILLS LEARNED:

- Creativity: Expressing unique ideas through various art forms and projects.
- Critical Thinking: Solving challenges with innovative solutions.
- Collaboration: Working together to achieve common goals.
- Exploration: Discovering new topics and interests.
- Communication: Sharing ideas and presenting projects confidently.
- Adaptability: Embracing new themes and activities each week.
- Fine Motor Skills: Developing precision through hands-on activities.

Wednesday 1:15-2:15 for \$594 (1 Hour)
Wednesday 2:15-3:40 for \$820 (1 Hr 25 Mins)
Discount available for attending 1:15-3:40
Annual Tuition can be split into into 2 payments
TK-5th Grade

Register Now

By registering my child, I certify that my child is in normal health and capable of participating. I acknowledge the risk of injury is possible. Safety is the first concern in all OpenMinds classes, but unforeseen injuries can occur. Given that, I grant permission for my child to participate and in so doing so hereby release OpenMinds and its staff from all liability to me for any loss or damage to property or physical injury. If medical attention is required, I give permission for such care when either I or the child's doctor cannot be reached. OpenMinds is not responsible for the cost of medical care.
